The Brownsville Cruise was a great success! We had six boats including the Nortons in their boat "Impulse" who came over 500 miles to come to the cruise. We had food and drink and fellowship on the dock on Friday.

Pictured are V/C Don Sandstrom and Sec. Vicki Sandstrom, Suzanne Beauchemin and Gene Beauchemin.

More Friday night diners... Linda Norton, Chuck Norton and Cmd. Dennis Feters.

On Saturday, we had the Quarterly Membership Meeting with Raffle Prizes and the Bean Pot. Terry Heaney won the Bean Pot with \$79.00 in it. She then donated a dollar so the bean pot would not go empty.

Terry wins the Bean Pot
Treasurer Lois Feters awards her the \$79.00 Check!

Above and to the right are (clockwise) Terry Heaney, Lois Fetters, Walt Newman and Bill Barton who were the lucky Raffle Prize winners.

To the left is Vicki Sandstrom Who has won temporary custody of the RUBBER DUCK AWARD. It seems when Don and Vicki were putting the Dawg Fish back on the trailer after the June cruise, she misjudged where her feet were, due to new glasses, and went in the drink. She was unhurt and now knows for sure that she can get herself back into the boat from the water. Way to make lemonade out of lifes lemons Vicki! According to tradition, she will retain possession of the life ring until some other member takes an unexpected dip.

AUGUST CRUISE TO**WHERE???**

At the July membership meeting there was much discussion about the upcoming August Cruise. As a result, we are leaving it up to you. The original plan was to go to Des Moines. Those of us who attended last years cruise to Des Moines have many pleasant memories of that occasion. Some because of the fine job that Don and Vicki did as hosts, and some because of the gracious treatment we received from the Des Moines Marina. But that was then and this is now.....the cost of travel has gone up tremendously since last year.

There are two choices:

- 1) August 22. 23. 24 Go to Des Moines as planned.
- 2) August 22. 23. 24 Go to the New Bremerton Marina

What we do will not change that much from one Marina to the other. There are some new things to see in Bremerton if you have not been there in awhile. And we always seem to find a good place to eat. Hmmm Cold Stone comes to my mind.

Well it is up to you. Please vote by calling Lois Fetters at **360-871-8264** or emailing her at thebooks@clearwire.net

**WE MUST HAVE AN ANSWER BY AUGUST 11TH SO
VOTE EARLY - VOTE OFTEN.**

We need to know early so that we can make or cancel reservations appropriately.

We will notify everyone the outcome via email (or phone for those who do not have email).
