May 2009

2009 Bridge

We have had some “holes” in the Bridge and the Board and these positions have, for the moment been filled. At the March Quarterly meeting, Jim Lundin was promoted to Vice Commodore.

At the April Board meeting Jim Lundin let the Board know that David Griffiths was interested in filling the Rear Commodore spot. The Board voted on this proposal and David Griffiths will be the Unconfirmed Rear Commodore until the June Membership meeting. At that time the membership will be asked to make his appointment permanent.

Also at the April meeting Jan Anderson was appointed to fill the opened spot for Trustee. (This does not need a vote of the general membership.)

With the changes in place your board is as follows:

Commodore Don Sandstrom
Vice Commodore Jim Lundin
Unconfirmed Rear Commodore David Griffiths
Secretary Vicki Sandstrom
Treasurer Lois Fetters
Trustee Dennis Fetters
Trustee Bill Barton
Trustee Jan Anderson

Welcome aboard to David and Judy Griffiths our newest members.

MARCH 4TH COSMO'S DELI PORT ORCHARD MEMBERSHIP MEETING

Our March quarterly membership meeting was held at Cosmo's Deli in Port Orchard. The turnout was light but some came early and had dinner then we all joined up in the Bar for Dessert and our meeting.

Anne Rodrigues was drawn for the Bean Pot but she was not present and so lost out on \$64.50 which will be held over for the June membership meeting. The voting mentioned above was handled quickly and we all got down to eating some very yummy desserts.

We did the raffle and Jan Anderson, Helen Higgs and Dennis Fetters were all winners.

POULSBO YACHT CLUB HAS REVOKED OUR RECIPROCITY

When a member went to the Poulsbo Yacht Club to use our reciprocal moorage he was told that SIYC was not a Reciprocal. After several phone calls, Stu Higgs contacted the Commodore and was informed our reciprocity has been revoked.

We have notified the Port Orchard Marina of this change. Please cross out Poulsbo Yacht Club from your reciprocals in the yearbook. The web page is being updated.

If you should ever have a problem when you try to use reciprocals, contact Stu Higgs as he has the letters of reciprocity and does an outstanding job of getting to the bottom of the problem. Luckily this does not come up often.

We will need a new Treasurer in 2010 so if you have a head for numbers this could be the spot for you. Step up now and Lois will show you the ropes.

We will also need a Dinghy Editor/Publisher for 2010 so if words are your thing, let us know and we will sign you up! Done in WORD so is not difficult.
