## Silverdale Cruise and Brownsville Cruise

Both of these events were a great success. The Silverdale event was hosted by Bruce and Barbara Martin, who introduced us to Omelets in a bag. These were such a success they were repeated by your hosts VC Jim Lundin and Trustee Jan Anderson at the Brownsville event.

The Brownsville Cruise included our Quarterly Membership meeting and the voting in of next Years Bridge.

The 2010 Bridge is as follows:

Commodore Jim Lundin  
Vice Commodore David Griffiths  
Rear Commodore Judy Griffiths  
Secretary Vicki Sandstrom  
Treasurer Opened  
Trustee Jan Anderson

The above were voted in unanimously.

Additional P/C Bill Barton will again serve as trustee and will be up for re-election next year. P/C Don Sandstrom will automatically serve a one-year term as a Trustee.

Please note the opened position for Treasurer. Since the Fetters have sold their boat, Lois cannot serve a treasurer per the by-laws. We really need someone to step up and act as the clubs Treasurer. Please contact any board member if you have any ideas of who could fill this position.

Barbara Martin has volunteered to serve as the Dinghy Editor. She will begin her editing in January but will assist in producing the Christmas Lane Flyer that will be coming out soon.

## STRANGE BUT TRUE

I know this is hard to believe but it really did happen! At the Silverdale Cruise the name drawn to win the Cruise Pot of \$76.00 was Becky Krogstad. Since she was not present, the pot will be drawn again at the next Cruise. Then at the Brownsville Cruise since it was also a Quarterly meeting the Bean Pot was drawn for a prize of \$121.50 and .....you guessed it.....Becky Krogstad was again drawn and AGAIN was not present so she lost out twice in two months. What are the odds?? The Bean pot will be drawn again at the Christmas Party.

## PHOTOS FROM THE GENERAL MEMBERSHIP MEETING AT BROWNSVILLE

As we always do, we had our Raffle with winners galore.

Barbara Miller won some fall design kitchen towels.

Bob Jungers won a set of “keep cold” storage containers. Even though he and Joellen have sold their boat, they can still use these when the RV in Yuma each year.

The Millers are again in the winner’s circle with Bruce winning a “no Battery” flashlight.

VC Jim Lundin won some flat bungee cords.

And RC David Griffiths won a set of two laundry bags, one for light and one for dark.

## OH THE WONDERFUL FOOD WE HAD!!

Some was homemade some was not. All of it was wonderful. We had Lasagna and salads and bread and dessert's o-plenty. Plus wine for those who wanted some.

The Brownsville Yacht Club facility was wonderful and with iffy weather, much appreciated. With the full kitchen and comfortable seating the room was a definite plus for this cruise and meeting.
